Dear _____

Coming up May 27-30, 2016 in the beautiful San Bernardino mountains, a youth conference will take place called Can U Hear Me Now. This conference is for young people seeking a closer walk with Christ who desire to hear the voice of God speaking to them.

This conference is sponsored by End Times Like These Ministries and endorsed by the Southern California Conference.

This year, the theme will be "A Call To The Youth". There will be presentations that I can attend that will enable me to learn why there are spiritual barriers in the lives of young people today and how Jesus can and will remove those barriers so that we can hear Him.

We will also learn about how to serve others. There will be presentations on Bible work, literature evangelism and also health presentations.

If it is your desire to sponsor me to attend, I'd greatly appreciate it.

You can find the various fees on the website: www.canuhearmentnowconference.org. Or you may review the brochure.

Your sponsorship and prayers are welcomed wholeheartedly!

Thank you very much for your time, consideration, and support.

Sincerely,
